## of Working with a Supplier-Neutral Telecom Agent for Telco & Cloud Solutions

Today's companies are gaining massive benefits from leveraging strategic Cloud and telecom services. If you're considering a migration to the Cloud or an integrated telecom/data solution, here are ten reasons you should partner with a supplier-neutral Telecom Agent, rather than going direct-to-carrier.

### 1 Gain access to unlimited supplier options

You'll get the best supplier options for your company's needs. Your Telecom Agent will filter the optimum telecom and Cloud providers based upon your specific objectives and their strengths.

### 3 Obtain personalized strategy & solution planning

Get strategy and experience from a seasoned expert who has an advanced knowledge in telecom & Cloud integrations. Your Telecom Agent will carefully construct the perfect plan for your company.

### 5 Develop a long-term relationship

Carrier sales reps frequently change companies, while Telecom Agents are vested in their own businesses. No more turnover-related hassles.

### 7 Acquire greater leverage

Develop strong relationships with the Cloud suppliers and telcom carriers, which comes in handy when negotiating contracts or resolving service issues.

### 9 Focus on what you do best

And let your telecom agent take care of the rest. You'll be much more effective at what you already do. Adding another expert to your team will help you to focus on other business needs.

### 2 Secure a single point of contact

You'll get one point of contact, meaning less finger pointing and fewer headaches for you. When you've got a question, a concern or an issue to resolve, you only need one phone number.

### 4 Eliminate the pressure of quota-based supplier/carrier salespeople

Going supplier direct often means dealing with a quota based mindset. Telecom Agents have no quotas to fill, so their recommendations are non-biased.

### 6 Gain a trusted advisor

A Telecom Agent acts as an extension of your team, guiding you with recommendations tailored specifically to your company's goals.

### 8 Recover lost hours

By outsourcing your Cloud & telecom integration tasks, you regain all those hours you would have spent strategizing, vetting the various providers, and negotiating contracts.

### 10 Stay cutting edge on technology

Telecom Agents keep their fingers on the pulse of evolving Cloud and telecom technologies, so you can leverage the right solutions to increase efficiency and productivity.
